RE: Bring in a fruit/ fruit tasting session

**Dear Families,**

As part of our learning theme '*Food Glorious Food*', the children in Reception will be learning about a variety of fruits. We will explore different climates and discuss which fruits grow here in England and which fruits are grown in warmer climates, such as parts of Africa. Through hands-on exploration and discussion, children will develop their vocabulary, understanding of the world, and awareness of healthy eating.

We would like to invite children to **bring in a fruit of their choice on Tuesday 5th May.**

Examples of tropical fruits include **mangoes, pineapple, bananas, kiwi, papaya, coconut, lychee, passion fruit, avocado, and pomegranate.** As part of this learning experience, the children will have the opportunity to **taste a range of unusual and tropical fruits** in a safe and supportive environment.

We kindly ask that only **whole fruits** are brought in, so the children can see how the fruit looks and feels before it is prepared. If your child has any allergies or dietary requirements, please speak to a member of the Reception team in advance so that we can make appropriate arrangements.

Thank you for your continued support. We are sure this will be an exciting and enjoyable learning experience for the children.

**Kind regards,**

**Miss J. Neale**

Reception Teacher
