

# Park Hill Primary

26.09.24

Dear parent/carer,

We have received numerous complaints and concerns from local residents regarding pupils riding bikes and electric scooters around the immediate area of the school, close to resident's properties and neighbouring car parks.

We must stress pupils are not to use their bikes or scooters within these areas, not only is this a potential danger to their safety but also inconsiderate to the school community and a possible cause of damage to their property.

Finally, please do not bring electric bikes or scooters onto the school premises at any time

Thank you.
