Friday 6th September 2024

Dear Park Hill Families,

We would like to welcome our lovely families back to the new term and extend warm wishes to our new families. We look forward to getting to know you during your time at Park Hill. We also welcome two new members of staff: Miss M.Kaur is our Nursery teacher and Miss P. Kaur who is our Year 4 teacher.

We Are Ready!

Our Park Hill children have come back after the summer ready to learn and our school is full of respect, which is this term's value. We have been reading a book called "The Bad Seed" about a character who learns to make respectful choices and actually becomes a "good seed." Children are using their manners, holding doors open for each other and showing empathy around school. We are so proud of them and really appreciate your support in doing things the Park Hill way.

Our New Library

The new library has been filled with beautiful books and redecorated with the money that you kindly raised for us. All will be revealed to the children next week so watch this space for photos and updates after we open it.

Our New Sports Coach

We look forward to welcoming Mrs Knott on Tuesdays, who will work with the whole-school at different times of the year. At the moment, she will be working with Key Stage 2 and she can't wait to get stuck in. She has kindly built our new football goals for us and we know the children will enjoy using them.

Children look so smart in their uniforms and we thank you for sending them in the correct colours. For PE days, children need to wear a navy jogging suit with a white tee shirt / polo shirt and black/white trainers or pumps. To keep costs down and avoid buying unnecessary clothes, children are also welcome to wear navy jogging trousers and their usual school tops and jumpers for PE.

Forest School

This year, we are lucky to be having forest school for two days with Jason so that all children can participate during the school week. For morning forest school sessions, children come in their forest school clothes and bring their uniform in a bag. For afternoon forest school sessions, they come in their uniform and bring forest school clothes in a bag. Spare clothes are really important as it can be very wet and damp in the forest.

Talking of forest school, we had visitors during the summer who vandalised our fire circle and seating area. Jason has set up a new one and we have bolted everything down so that it cannot be moved. We also had our planters stolen from outside "The Hive." It is very sad that people steal and vandalise our school but we are grateful for Jason's hard work.

A Fresh Start

This is going to be an exciting year and we have lots planned, such as residential visits, trips, themed weeks and new clubs after school. We are also looking forward to having our class assemblies where you can come in and see your children in action!

The Safeguarding Team

Finally, for our new families, we are the Safeguarding Team. Mrs Glover is our Family Liaison. Please get in touch if you need support for your family.

Mrs Logan

Head Teacher

Designated Safeguarding Lead

Mrs Boardman

Deputy Head Teacher

Deputy Designated Safeguarding Lead

Mrs Glover

Family Liaison Officer

Deputy Designated Safeguarding Lead

Here's to a great academic year!

Kind regards,

Mrs Logan and Mrs Boardman
