

Fun for Under 2's

My Summer 2024

This session will give you the chance to make a scrapbook to document Summer 24 with your little one.

Sensory Relax

This will be similar to the sensory session but will be smaller in numbers to help keep the environment relaxed and calm.

Sensory

A chance to explore all of your babies senses and different activities that you can also do at home with your little one. This will include some water play.

All about Me

Come along and explore your child's developmental milestones. You can also get your child WellComm screened to look at their speech & language development.

EARLY BABY DEVELOPMENT

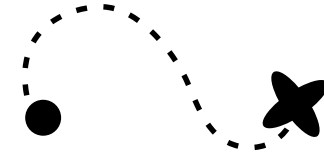

Baby Painting

Messy play session exploring senses and early mark making

Treasure Baskets

This will be a fun session where you will get to explore different everyday items that can be used in play within the home to support development. You will also get to take away a box to use to collect and create your own basket.
