**Subject: Invitation to Math Workshop for Reception Parents – Tuesday 12<sup>th</sup> March 2024, 10:00 am – 10:45 am**

Dear Parents/Carers,

We are excited to invite you to a Math Workshop at our school on **Tuesday 12<sup>th</sup> March at 10:00 am**. The workshop will take place in the school hall and will last for approximately one hour. **The children can also join you in the session.**

During the workshop, we will showcase how we teach math through play. This approach not only makes learning maths enjoyable for our students, but it also helps them develop a deeper understanding of mathematical concepts. We believe that by involving parents in this process, we can create a stronger home-school connection and support our students' maths learning journey together.

The workshop will provide you with an opportunity to:

1. Observe first-hand how we incorporate play-based activities into our math lessons.
2. Understand the benefits of using play to enhance mathematical understanding.
3. Learn practical strategies to support your child's maths learning at home.
4. Ask any questions you may have about our maths curriculum and teaching methods.

To ensure we can accommodate all attendees, please complete the reply slip below and return it to the school office by Thursday 29<sup>th</sup> February 2024. We kindly request that you indicate the number of adults attending the workshop.

We look forward to welcoming you to our Math Workshop and sharing our innovative approach to teaching math. Together, we can make math an engaging and enjoyable subject for our students.

If you have any questions or require further information, please do not hesitate to contact the school office. Thank you for your continued support.

Best regards,

Mr M Stevenson  
Acting EYFS Lead
