Oxford Owl Workshop – 21st November 2023

Dear Parents/Carers,

We are excited to invite you to an upcoming workshop where we will be explaining how we use Oxford Owl in our school and the advantages it brings to your child's education. Oxford Owl is an online platform that provides access to a wide range of digital resources to support reading and literacy development.

During the workshop, we will demonstrate how Oxford Owl can be used at home to enhance your child's reading skills. We will showcase the various features and resources available on the platform, including e-books, interactive activities, and helpful tips for parents to support your child's reading journey.

The workshop will take place on **21st November at 4pm** in the school hall. We encourage you to attend and learn more about how Oxford Owl can benefit your child's learning experience.

We look forward to seeing you at the workshop and sharing the exciting possibilities that Oxford Owl offers for your child's reading development. If you have any questions or need further information, please don't hesitate to contact us.

Thank you for your continued support.

Yours sincerely,

Mr M Stevenson & Mr L Booker
