Monday 2<sup>nd</sup> October 2023

Dear Parents/Carers,

We are writing to let you know that we will be introducing a new topic in our EYFS classes this term. We will be teaching the children about Pantosaurus, the friendly dinosaur from the NSPCC.

Pantosaurus is an important part of our school's learning about personal safety and boundaries. Through age-appropriate activities and discussions, we will be providing our children with the knowledge and skills needed to stay safe and make healthy choices in their lives. It teaches children about the areas of their bodies that are private and reminds them about the importance of saying "no" if someone tries to touch them in an uncomfortable way.

If you have any concerns or questions related to this topic, please feel free to contact us. Alternatively, you can find more information about the Pantosaurus campaign on the NSPCC website.

Thank you for your cooperation and support.

Yours sincerely,

Mr M Stevenson
