Our ref CL

9<sup>th</sup> March 2026

Dear Park Hill families

As you know, we had our Ofsted Inspection in January. The report is now ready, and I am obliged to share the report with you first. This can be found by clicking [Ofsted Report](#)

I am very pleased with the report and would like to thank my dedicated staff, my supportive Governors, my lovely Park Hill families and my wonderful Park Hill children.

I am extremely proud of our judgements, where six out of seven areas were expected or strong. Personal Development and Wellbeing, which was judged as a “strong standard,” certainly reflects our ambitious programme, built around our ‘REACH’ values. Our children truly belong here and are growing in confidence, as they are “more than ready for their next stage.”

Achievement was judged as “needing attention” as our end of Key Stage 2 data is not yet in line with national figures overall. This is something that we have been working hard on and, although there is progress (which Ofsted recognised), we will continue to improve this. We will have a monitoring visit in 18 months, which will check our data against the national data and as a staff we will be working hard so that all children can achieve as well as they should.

Ofsted also recognised the improvements to the curriculum that have been developed since our last inspection.

Ofsted have left targets for us to work on which are based around continuing to improve our writing across the curriculum and using assessment to enhance and deepen pupils’ knowledge and skills. Mrs Boardman and I are already working on these to improve writing and feedback for children.

Thank you for the support you give to us by coming to family events, supporting with behaviour expectations and choosing Park Hill. I feel very grateful that, out of lots of local schools, we are the place you chose: it is a privilege to work with you and your children.

As always, if you wish to discuss anything from the report, please come to the office and book an appointment with me.

Yours sincerely

  
C. Logan  
Head Teacher
