Supervised Toothbrushing Scheme

Dear Families,

RE: Brilliant Brushers Supervised Toothbrushing Scheme

The Oral Health Improvement Team have contacted our school to invite our Nursery and Reception children to get involved in an exciting new scheme to help keep children's teeth healthy.

Brilliant Brushers is a daily supervised toothbrushing scheme for children aged 3-5 years.

Staff have received up to date training on how to deliver the scheme and all the resources, such as toothbrushes and toothpaste, will be supplied to us free of charge.

All children taking part will receive a toothbrushing pack to use at home alongside the supervised toothbrushing scheme.

Your child can only take part in the scheme if you complete and return the consent form in the Information and Consent leaflet that will be sent home with your child. If you would like to discuss the scheme further or have any questions, please do not hesitate to contact me.

Yours sincerely,

Miss J. Neale
