Dear Parents & Carers

RE: Wild science minibeast workshop

On **Tuesday 9th June 2026**, we are excited to invite Wild Science into school to deliver a minibeast workshop to our children in Early Years - Nursery and Reception. This workshop will take place in school hours and will be for children only.

Parents of children who usually attend the afternoon Nursery sessions are welcome to bring their child in to attend this workshop. Children will need to be brought to school at 9:00am and collected at 10:00 am. They can then return after lunch for their usual afternoon session.

Wild Science will deliver an interactive workshop around the topic of 'minibeasts' which we have been learning about in school. Children will see a range of live animals and minibeasts and have the opportunity to observe animal and insect behaviour up close. They can gently touch the skin or fur of various species, listen to the sounds they produce, and witness firsthand the exciting moments. This immersive approach fosters curiosity and encourages critical thinking as children engage with the animals in a hands-on manner. Wild Science aim to spark a lifelong love of learning and inspire the next generation of scientists and animal enthusiasts.

We kindly ask for a £2.00 donation for each child as school will subsidise the remainder of the cost. Please make payment by Friday 29th May 2026 on ParentPay.

Yours sincerely,

Miss J Neale & Miss Wilkinson
Reception and Nursery Class teachers
